Rafiki: Ingonyama enguin amabala

All: **Ingonyama enguin amabala** x 4 (loud)

Animals: **Ingonyama enguin amabala** x 12 (Quiet) (sung under Rafiki)

From the day we arrive on the planet

And blinking, step into the sun

There's more to see than can ever be seen More to do than can ever be done

There's far too much to take in here More to find than can ever be found But the sun rolling high

In the sapphire sky

Keeps great and small on the endless round

It's the Circle of Life

Animals: **Ingonyama enguin wemma** x 14 (sung under the chorus)

And it moves us all

Through despair and hope

Through faith and love

Till we find our place On the path unwinding

In the Circle

The Circle of Life

All: **It's the Circle of Life**

And it moves us all

Through despair and hope

Through faith and love

Till we find our place On the path unwinding

In the Circle
